

Maricopa County Policies and Procedures	Subject: Maricopa County Strategic Issues 1995-2001	Number: B5003 Issue Date: 01/98
Approved:	Initiating Department: Office of Management and Budget	

Strategic Issues 1995-2001

- Justice and Law Enforcement Issues.
- Develop County's role in transportation planning.
- Evaluate and develop long-term strategies for special districts and special revenue funds, i.e. Flood Control, Stadium and Library Districts and Housing.
- Monitoring of indigent health issues.
- Become involved in or initiate regional dialogue on current and emerging social service issues - homelessness, youth crimes.
- Develop strategies to recruit, develop and retain a quality workforce.
- Synchronize reengineering of work processes with application of technology.
- Investigate financing requirements through bonds.
- Continue emphasis on competitive analysis.
- Develop strategies and efforts in working with the State in distribution of funding.
